

Neighborhood Electric Vehicle (NEV) Day

When: Saturday July 12th from 10AM to 1 PM

Where: Home Depot Lincoln

Why: Show a low-cost, pollution-free, transportation alternative to residents of Lincoln.

Tired of rising gas prices? See and drive many different types of electric vehicles.

Learn about Lincoln's NEV and Golf Cart plans.

Electric Vehicle Dealers will be present to show their products.

Lincoln officials will stop by.

Kids can put together a wooden project supplied by Home Depot.

Refreshments will be available for purchase.
